It is a good idea to get advice from a lawyer or notary and to review the entire disclosure statement and your purchase agreement with them **before signing any agreement** with a developer. 10.2.4 Density Regulations

- (1) The number of square metres of commercial floor area (which for certainty excludes *tourist accommodation* units) in each Area of the CD-02 zone shown on [CD-02 Schedule A](#) shall not exceed the total number specified in column 7 of Table 1 as shown in [Section 10.2.5](#).
- a. Notwithstanding [Section 10.2.4\(1\)](#), up to 30% of the total commercial area (6,688.0 sq. m) allocated to Area 1 may be transferred to Area 2, 3, 4, 5, 8 or 9 without an amendment to this Bylaw. No more than 15% of commercial area (3,344.0 sq. m) may be transferred to any single Area, except within that portion of Area 5 as more particularly shown on [CD-02 Schedule B](#), where no more than 5% of commercial area (1,114.0 sq. m) may be transferred from Area 1.
 - b. With any transfer of density out of Area 1, a covenant shall be registered on title of the parent *lot(s)* within Area 1 specifying the amount of density that has been transferred and to what area. This covenant shall be updated with any subsequent density transfers out of Area 1.
 - c. Any transfer of density must be in alignment with the Master Development Agreement between the Province of British Columbia and the primary resort developer who is signatory to the agreement.
-
- (2) The number of *tourist accommodation* units and *dwelling units* in the form of *multi-unit dwellings*, *two-unit dwellings*, or *single-detached dwellings* in each Area of the CD-02 zone shown on [CD-02 Schedule A](#) shall not exceed the total number specified in column 7 of Table 1 as shown in [Section 10.2.5](#).
- a. Notwithstanding [Section 10.2.4\(2\)](#), up to 30% (822 units) of the total units allocated to Area 1 may be transferred to Area 2, 3, 4, 5, 8 or 9 without an amendment to this Bylaw. No more than 15% (411 units) may be transferred to any single Area.
 - b. No transfer of *tourist accommodation* units is permitted in that portion of Area 5 as more particularly shown in [CD-02 Schedule B](#).
 - c. With any transfer of density out of Area 1, a covenant shall be registered on title of the parent *lot(s)* within Area 1 specifying the amount of density that has been transferred and to what area. This covenant shall be updated with any subsequent density transfers out of Area 1.
 - d. Any transfer of density must be in alignment with the Master Development Agreement between the Province of British Columbia and the primary resort developer who is signatory to the agreement.

- (3) The density permitted in this Section is a maximum. In the event that the presence of environmentally sensitive areas, including but not limited to those identified in the Official Community Plan, steep slopes or other physical constraints make the *development* of any Area to the maximum permitted density impossible, notwithstanding any transfers of density as may be permitted by this Bylaw, the maximum permitted density of that Area is the density as so constrained.
-
- (4) The owner may, for the purpose of applying the density restrictions in this Section:
- a. Substitute permitted *multi-unit dwelling* and *single-detached dwelling* uses for one another within the same Area, on the basis that one *multi-unit dwelling* (apartment) unit equals one *multi-unit dwelling* (row house) unit, and one *single-detached dwelling* unit equals 1.5 *multi-unit dwelling* units.
-
- (5) Prior to the approval of any subdivision of land in the zone, if this Bylaw has not been amended to establish the maximum density of *development* on each proposed *lot* of land in the zone, the owner must grant to the City of Revelstoke a covenant under s.219 of the Land Title Act establishing a maximum density of *development* on each new *lot* of land in the zone, such that the maximum permitted density of *development* permitted by covenant on all *lots* of land in the zone does not exceed that permitted by this Bylaw, and the obligation to provide *resort employee housing units* is distributed proportionately among the new *lots*.

The number of each type of *resort employee* housing unit provided must, at the time that the lands in this zone are developed to the maximum extent specified in the third, fourth, fifth and sixth columns of Table 1 in [Section 10.2.5](#), be proportional to the number of each type of unit specified in Table 1 in [Section 10.2.5](#), except that *multi-unit dwelling* (apartment) employee housing units must be provided in respect of *tourist accommodation* units proposed.

- (4) For the purposes of [Section 10.2.6\(1\)](#) and [Section 10.2.6\(2\)](#), a *resort employee* housing unit is deemed to have been provided if, at the time the Building Permit in question is issued:
 - a. An existing *dwelling unit* in the City of Revelstoke has been designated by the owner as a *resort employee* housing unit and the *dwelling unit* is subject to a covenant and housing agreement; or
 - b. The Building Permit authorizes the construction of one or more *resort employee* housing units as part of the *building* authorized by the permit, the owner has designated the *resort employee* housing units in the *building* and granted a covenant to the City of Revelstoke prohibiting the occupancy of the *building* until the number of *resort employee housing units* required under this Section in relation to the *building* are completed and ready to occupy, and the *resort employee housing units* are subject to a covenant and housing agreement.

Insurance

23. The Owners shall take out and keep in force at all times a policy of liability insurance in an amount of no less than \$3,000,000 per occurrence protecting against potential losses relating to the Party Wall, Footings, Roof and this Agreement.

No Transfer of Fee Simple

24. Nothing in this Agreement shall operate to convey to any of the Owners the fee simple to any part of the property owned by the others, the creation of rights in and obligations with respect to the Party Wall, the Footings, and Roof being the sole purpose of this Agreement.

Section 219 Covenant- Lot A

25. The Strata Lot A Owner covenants and agrees with RMR, pursuant to Section 219 of the Land Title Act, that the Strata Lot A Owner shall at all times agree to be bound by the terms of the Easements and agreements granted herein, and that Strata Lot A shall not be occupied or used in the event the Strata Lot A Owner does not comply with the terms of this Agreement.

The Strata Lot B Owner covenants and agrees with RMR, pursuant to Section 219 of the Land Title Act, that the Strata Lot B Owner shall at all times agree to be bound by the terms of the Easements and agreements granted herein, and that Strata Lot B shall not be occupied or used in the event the Strata Lot B Owner does not comply with the terms of this Agreement.
27. The covenants granted by the Owners in Clause 25 and Clause 26 are together called the "Covenants".

No Covenant or Easement Discharge

28. The Easements and the Covenants may not be terminated without the express approval of RMR. Under no circumstances whatsoever shall the Easements be suspended, interrupted or terminated by reason of any breach, default, trespass or other wrong, whether by commission or omission, on the part of the Owners or any person claiming through or under the Owners, and the parties shall refrain from seeking any judgment, order or declaration to that effect. Nothing in this paragraph shall prevent any party from applying to enjoin or restrain any wrongful action or seeking damages therefor.

No Guarantee

29. By accepting the Covenants, RMR is not giving the Owners any guarantee or assurance about the Party Wall or the lawfulness or enforceability of the Easements.

No Obligations on RMR

30. The rights given to RMR by the Covenants are permissive only and nothing in the Covenants:
- (a) imposes any duty of care or other legal duty of any kind on RMR to the Owners or to anyone else;
 - (b) obliges RMR to enforce the Covenants, which is a policy matter within the sole discretion of RMR; or
 - (c) obliges RMR to perform any act, or to incur any expense for any of the purposes set out in the Covenants.

For certainty, the Owners acknowledge and agree that RMR will not be responsible to arbitrate or resolve disputes between the Owners regarding the Party Wall or matters addressed in this Agreement.

No Effect on Laws or Powers

31. The Covenants do not:
- (a) affect or limit the discretion, rights or powers of RMR under any enactment or at common law, including in relation to the use of the Lots;
 - (b) affect or limit any law or enactment relating to the use of the Lots; or
 - (c) relieve the Owners from complying with any law or enactment, including in relation to the use of the Lots.

RMR Indemnity

32. The Owners covenant and agree with RMR to release, indemnify and save harmless RMR and its elected and appointed officials, officers, employees and agents, from and against any and all actions, causes of action, liabilities, demands, losses, damages, costs, expenses (including legal fees and disbursements), fines and penalties, whether brought by the Strata Lot A Owner or the Strata Lot B Owner or by any other person, by reason of a breach of any covenant or agreement of the Covenants or in relation to the Covenants.

Interpretation

33. Reference in this Agreement to the singular includes a reference to the plural, and reference to the plural includes a reference to the singular, unless the context requires otherwise.

Easements and Covenants Run With The Land

34. Every obligation and covenant of the Owners in the Covenants constitute both a contractual obligation and a covenant granted under section 219 of the Land Title Act in respect of the respective Lots. The Covenants and the Easements burden the Lots and run with the Lots and bind the successors in title to the Lots. For certainty, unless the context expressly requires otherwise, the term "Strata Lot A Owner", "Strata Lot B Owner", and "Owners" refers to the current and each future owner of Strata Lot A and Strata Lot B respectively. The Covenants and the Easements burden and charge all of Strata Lot A and Strata Lot B, respectively, and any parcel into which they may be subdivided by any means and any parcel into which they may be consolidated.

Registration

35. The Owners agree to do everything necessary, at the Owners' expense, to ensure that the Covenants and the Easements are registered against title to Strata Lot A and Strata Lot B with priority over all financial charges, liens and encumbrances registered, or the registration of which is pending.

Waiver

36. An alleged waiver of any breach of the Covenants or the Easements is effective only if it is an express waiver in writing of the breach in respect of which the waiver is asserted. A waiver of a breach of the Covenants or the Easements does not operate as a waiver of any other breach of the Covenants or the Easements.

Severance

37. If any part of the Covenants or the Easements is held to be invalid, illegal or unenforceable by a court having the jurisdiction to do so, that part is to be considered to have been severed from the rest of the Covenants and the Easements and the rest of the Covenants and Easements remains in force unaffected by that holding or by the severance of that part.

No Other Agreements

38. The Covenants and the Easements are the entire agreement between the parties regarding its subject.

Enurement

39. The Covenants and Easements bind the parties to them and their respective successors, heirs, executors and administrators.

Further Acts

40. The Owners must do everything reasonably necessary to give effect to the intent of the Covenants and the Easements, including execution of further instruments.

Deed and Contract

41. By executing and delivering the Covenants and the Easements, each of the parties intend to create both a contract and a deed executed and delivered under seal.

As evidence of their agreement to be bound by the terms of this instrument, the parties hereto have executed the Land Title Office Form C which is attached hereto and forms part of this Agreement.

ARTICLE 3 - THE RENT CHARGE

3.01 **Grant of Rent Charge.** The Grantor, on behalf of itself and all Persons deriving title to the Lands or any portion thereof, it being the intention and agreement of the Grantor that the provisions hereof be

annexed to and run with and be a charge upon the Lands, and each and every portion thereof, hereby conveys and grants to the Grantee in fee simple and charges the Lands with payment of the Rent Charge, including the annual Rent Charge in the amount specified in section 3.02, during the Term. The Rent Charge will commence and be payable in accordance with the terms of this Agreement from and after the date of the granting of this Rent Charge and will continue throughout the Term. The Rent Charge will be a charge upon and will issue and be payable out of the Lands, and each and every Lot created by any subdivision of the Lands or any portion thereof. Notwithstanding the sale, transfer or other disposition of the Lands or any portion thereof, the Rent Charge will survive and the purchaser, transferee or other person acquiring title to the Lands or such portion thereof will be subject to the Rent Charge and this Agreement.

3.02 Calculation of Rent Charge. The Grantee will, in its sole discretion, establish from to time the amount of the annual Rent Charge which will be payable by the Grantor and others in connection with the Grantee's provision of the Amenities and Services. The Rent Charge payable as of the date of this Agreement is set out in Schedule A. The Grantee may revise the Rent Charge, the method of calculation of the Rent Charge and the intervals for the payment of the Rent Charge at any time, upon written notice to the Grantor.

3.03 Assurances re: Rent Charge. The Grantee covenants and agrees that:

- (a) all Rent Charge amounts collected by the Grantee will be applied by the Grantee toward the payment of Expenses and for no other purpose whatsoever;
- (b) the Grantee will not incur Expenses except in accordance with the then current plan and budget, as described in sections 3.05(a) and 3.05(b);
- (c) the Rent Charge amounts will be fair and reasonable, based on the Amenities and Services provided by or on behalf of the Grantee; and
- (d) the annual Rent Charge amounts in respect of the Lands or any portion thereof for any calendar year will not exceed 0.3% of the fair market value of the Lands or any portion thereof, as applicable, including the value of all improvements thereon.

If at any time the Grantor takes the position that the annual Rent Charge amounts for any calendar year exceed 0.3% of the fair market value of the Lands or portion thereof, then:

- (e) the Grantor will deliver to the Grantee a written notice setting out the Grantor's position as to the fair market value of the Lands or portion thereof, together with a written appraisal of the Lands or portion thereof prepared and signed by an appraiser duly qualified and licenced under the laws of British Columbia; and
- (f) for the purposes of section (d), the fair market value of the Lands or portion thereof for the calendar year in which the Grantor's notice was given will be deemed to be the amount set out in the Grantor's notice unless within 60 days after receipt of such notice the Grantee delivers to the Grantor a written notice setting out the Grantee's position of the fair market value of the Lands or portion thereof prepared and signed by an appraiser duly qualified and licenced under the laws of British Columbia, in which case the fair market value of the Lands or any portion thereof for such calendar year will be deemed to be the average of amounts set out in the Grantor's notice and the Grantee's notice,

and after such determination of the fair market value the annual Rent Charge for such calendar year will be reduced by the amount, if any, that it exceeds 0.3% of the fair market value of the Lands or portion thereof.

3.04 GST and Other Taxes. The Grantor will pay all goods and services tax and other taxes payable on the Rent Charge and any other Indebtedness. If required by the Grantee at any time, the Grantor will pay such taxes to the Grantee, in which case the Grantee will be responsible for remitting the taxes collected to the taxing authority.

3.05 Annual Estimates and Reconciliations. The Grantee will estimate the Expenses and the annual Rent Charge for each Lot for each calendar year based on:

- (a) its operating plan for the provision of Amenities and Services; and
- (b) its budgeted Expenses for the provision of Amenities and Services,

and will provide the Grantor with written notice thereof on or before March 15 in each calendar year. Within a reasonable time after the end of each calendar year the Grantee will provide to the Grantor a statement of the actual Expenses for such calendar year, together with a statement as to the actual annual Rent Charge payable for each Lot for such calendar year in accordance with this Agreement, based on the actual Expenses. If such statement shows that the Grantor owes any amount to the Grantee in respect of the annual Rent Charge for such calendar year, the Grantor will pay such amount to the Grantee within 30 days of receipt of such statement. If such statement shows that the Grantee owes any amount to the Grantor in respect of the annual Rent Charge for such calendar year, the Grantee will either pay such amount to the Grantor with such statement or apply such amount as a credit to future annual Rent Charge payments payable by the Grantor, as determined by the Grantee.

3.06 Payment of Monthly Instalments. The Grantor covenants to pay the annual Rent Charge to the Grantee, without set off or deduction, by twelve monthly instalments payable on the first day of each month of each calendar year. Each instalment will be 1/12 of the Rent Charge for that calendar year, as estimated by the Grantee in accordance with section 3.05, subject to the annual adjustment once the Expenses for that calendar year have been determined, as specified in section 3.05. The Grantor will pay the Rent Charge to the Grantee at the address shown above or such other address as the Grantee may advise the Grantor in writing.

3.07 Late Charges and Interest. If a Grantor defaults in the payment of any monthly instalment of the Rent Charge or any portion thereof, then the Grantor will pay to the Grantee any late charge amount determined by the Grantee, in its sole discretion and, in addition, the amount in default will bear interest payable to the Grantee at the Stipulated Rate, compounded monthly and payable daily, and the repayment of such interest will be secured hereby, and the interest will be a charge upon the defaulting Grantor's Lot in the same manner as the Rent Charge. The Grantee will have the same remedies for recovery of such interest if unpaid after demand, as for the Rent Charge. This stipulation for interest will not prejudice or effect any other remedy of the Grantee under Agreement.

3.08 Grantee's Certificates. Upon request of the Grantor or the purchaser or mortgagee of the Lands or any Lot, the Grantee will issue a certificate to such Person within 10 days of such request, certifying:

- (a) the then current annual Rent Charge per Lot; and
- (b) the Indebtedness, if any, of the Grantor at the time of such certificate.

The certificate will be conclusive evidence of any matter certified in it. The Grantee or its agent may charge the Person who requests a certificate under this section a reasonable processing fee for such certificate, which fee will initially be \$25 per certificate and which may be increased from time to time by the Grantee, acting reasonably.

3.09 **Rent Charge to Accrue Day to Day.** The Rent Charge will accrue from day to day.

ARTICLE 4 – TERM

4.01 **Initial Term and Renewal Terms.** Subject to section 4.02, the initial Term of the Rent Charge and this Agreement will be the period commencing on the day this Agreement is registered in the Land Title Office and ending 40 years thereafter, and the Term of the Rent Charge and this Agreement will be automatically extended for an unlimited number of consecutive periods of 10 years each thereafter, unless at the end of any extension the Grantee elects not to extend the Rent Charge and this Agreement further, by written notice to the Grantor of such election or public notice of such election.

4.02 **Discontinuance by Grantee.** The Grantee may elect at any time in its sole and unfettered discretion to discontinue providing the Amenities and Services by giving public notice to such effect. In such event, the Rent Charge will cease and this Agreement will terminate and be at an end as of the effective date set out in such notice and the Grantee will, upon written request by any Owner, execute and deliver to the Owner a discharge of this Agreement in registrable form.

ARTICLE 5 – ENFORCEMENT

5.01 **Power of Entry and Distraint.** If the Grantor defaults in payment of any instalment of the Rent Charge or any other amount payable under this Agreement in respect of any Lot for the period of 60 days after the due date, then at any time after that date and without further notice, the Grantee may enter upon such Lot and may distraint upon any property, including, without limitation, the Lot and any improvements thereon, for the amount in arrears and may exercise all powers of distress, including the power to sell such property to satisfy the amount owing.

5.02 **Power of Sale.** If the Grantor defaults in payment of any instalment of the Rent Charge or other amount payable under this Agreement in respect of any Lot for the period of 180 days after the due date, then the Grantee may, at any time thereafter, sell and absolutely dispose of such Lot, either by public auction or private contract, on such terms and conditions as the Grantee determines; and the Grantee may enter into, complete, rescind or vary any contract or sale or resale without being responsible for any loss occasioned thereby, and may convey and assure the Lot to the purchaser in fee simple and the Grantor hereby constitutes the Grantee, its successors and assigns, the attorney or attorneys irrevocable by death or otherwise, of the Grantor, its heirs, executors, administrators, successors or assigns, to make such conveyance or conveyances provided that:

- (a) such power of sale must not be exercised until after one month's notice in writing has been given to the Grantor, either by delivery to the Grantor, or by delivery to an adult Person resident or in occupation of the Lot, or if the Lot is vacant by substituted service in the manner allowed under the Supreme Court Rules of the Province of British Columbia or any enactment in replacement thereof; and
- (b) the Grantor does not, before the Grantee completes any contract for the sale of the Lot, pay the amount in default, with interest thereon, together with all expenses incurred by

the Grantee in connection with any such notice and proceedings of sale or otherwise in relation to the Lot, including legal costs on a solicitor and own client basis.

5.03 Survival of Rent Charge. Despite any transfer or other disposition in fee simple of any Lot, whether under section 5.02 or otherwise, in respect of which the Rent Charge or any amount payable under this Agreement is in default, the Rent Charge will survive and the purchaser in fee simple will be subject to the terms of this Agreement. The transfer or other disposition in fee simple of a Lot under section 5.02 or otherwise will, as regards to the purchaser, be deemed to be valid despite any impropriety or irregularity with respect to the sale of the Lot to the purchaser and the remedy, if any, of the Grantee in respect of any impropriety or irregularity of any sale will be in damages only, and the purchaser on any sale will not be required to see the application of the proceeds of the sale or be accountable for any loss, misappropriation or misapplication thereof.

5.04 Application of Proceeds of Sale. The money realized by reason of any sale described in section 5.02 or otherwise will be applied by the Grantee:

- (a) first, in payment of the expenses incurred by the Grantee in connection with the enforcement of the Rent Charge, the proceedings of sale, the sale or otherwise in relation to the Lot, including realtor's fees and legal costs on a solicitor and own client basis;
- (b) second, in satisfaction of the Rent Charge with interest thereon and other amounts then owing and secured by this Agreement;
- (c) third, to discharge any mortgages or liens registered against title not assumed by the purchaser; and
- (d) fourth, the balance, if any, to the Grantor or as the Grantor directs.

5.05 Other Remedies. In addition to the above provisions for enforcement of the Rent Charge and other amounts due under this Agreement, the Grantee, at its option, may bring or take legal action for payment or to compel a mortgage or for foreclosure in a court of competent jurisdiction or may exercise any and all other remedies of a rent charge holder at law or in equity. All of the remedies of the Grantee will be cumulative and will be in addition to every other remedy available to the Grantee and all such remedies and powers of the Grantee may be exercised concurrently from time to time. If the Grantee exercises or attempts to exercise any of its remedies, the Grantor will pay all of the costs incurred by the Grantee in so doing, including the Grantee's legal costs on a solicitor and own client basis.

5.06 Lot by Lot Basis. Notwithstanding the foregoing provisions for enforcement of the Rent Charge and other amounts due under this Agreement, the Grantee agrees that once the Lands are subdivided as contemplated by the definition of "Lot", the Grantee will only exercise its rights and remedies in case of default against the Owner who is in default and against such Owner's Lot, but not against any other Owner or Lot.

5.07 Exclusion or Exemption by Grantee. The Grantee will have the right to exclude or exempt any Lot, including any Lot owned by the Grantee, from the Rent Charge for such period as the Grantee may determine or discharge this Agreement from any Lot where in the opinion of the Grantee the circumstances warrant such exclusion, exemption, or discharge. The Grantee will also have the right to limit the amount of the Rent Charge applicable to any Lot, including any Lot owned by the Grantee, for such period and on such terms as the Grantee may determine where in the opinion of the Grantee the circumstances warrant such limit.

ARTICLE 6 - AMENDMENTS AND SUBDIVISION

6.01 **Grantee's Amendments.** The Grantee may propose amendments to this Agreement which in its opinion are necessary because of changes in the law or to implement and carry out the true intent and meaning of this Agreement. The Grantee will give notice of any such proposed amendment (the "**Amendment**") to each Owner in accordance with section 7.01. An Owner may object to the Amendment by providing written notice of such objection to the Grantee within 10 days of receipt or deemed receipt from the Grantee of the notice of the Amendment. All Owners will be bound by the Amendment if the Owners who have objected to the Amendment by way of notice as herein provided represent in the aggregate less than a majority of all Owners. An Amendment will not become effective and binding on the Owners if a majority of the Owners by notice as herein provided object thereto. Where a Lot is owned by more than one Person, then for the purpose of this section all such Persons will comprise the Owner and will have a single vote.

6.02 **Amendments to Other Rent Charges.** Notwithstanding section 6.01, this Agreement will not be amended in the manner set out herein unless every other Rent Charge Agreement in effect is also amended in similar manner.

6.03 **Subdivision.** If the Lands are subdivided, either wholly or in part, at any time, either under the provisions of the *Land Title Act* (British Columbia) or the *Strata Property Act* (British Columbia), as amended from time to time, or other similar legislation enacted from time to time, on the deposit of a plan of subdivision, strata plan or similar plan, as the case may be, this Agreement and the Rent Charge will run with and continue to be a charge upon each of the new parcels, lots, strata lots or other subdivided parcels shown on such plan and the remainder, if any, of the Lands subdivided, and will be read and construed *mutatis mutandis*. No consent of the Grantor or the owner or owners of the Lands to any such subdivision will be required but, nevertheless, without restricting the generality of the foregoing, the Grantor and the Grantee covenant and agree each with the other that each will execute and deliver in registrable form any and all documents and plans, and that will do all things, reasonably necessary in order to give effect to section.

- (e) ensure that the Unit is serviced with water, sewer, electricity, propane and internet access at all times during the Term;
- (f) take out and maintain at all times during the Term the following insurance pertaining to the Unit:
 - (i) comprehensive public liability insurance in the amount of at least \$2,000,000 for claims for personal injury, death or property damage arising out of any single occurrence;
 - (ii) rental interruption insurance with such policy limit as may be required by the Manager from time to time;
 - (iii) contents insurance with respect to the Owner's property within the Unit; and
 - (iv) such other insurance as may be reasonably required by the Manager from time to time;

Without limiting the generality of the foregoing, the Owner will be solely responsible for the cost of repairing, maintaining or replacing any item of furniture, fixtures, equipment and supplies listed in Schedule E of this Agreement as necessary to maintain the Unit in a first-class, occupiable condition to the satisfaction of the Manager. The Owner will also be solely responsible for all repair, maintenance, restoration, redecorating and other expenses arising as the result of the rental or use of the Unit including normal wear and tear. For the purposes of this Agreement, "normal wear and tear" costs will include upkeep and maintenance expenditures necessitated due to the use of the Unit for short term vacation use in the manner contemplated in this Agreement, the Owner acknowledging that "normal wear and tear" upkeep and maintenance expenditures resulting from such rental occupancy of the Unit will exceed the "normal wear and tear" upkeep and maintenance expenditures which would be incurred by the Owner if the Unit was utilized solely for residential purposes or the Owner's personal use.
- 6.4. **Owner's Authorizations.** The Owner authorizes the Manager to take any and all such steps as are reasonably necessary or desirable to enable the Manager to perform efficiently its functions and duties under this Agreement including, without limitation, depositing and withdrawing funds from the Rental Operating Account as set out in this Agreement and performing the Manager's obligations set out in Section 5, and the Owner appoints the Manager to be the attorney of the Owner to execute all necessary instruments and documents of whatsoever kind or nature and to take or cause to be taken all such steps, actions or proceedings, in the name of and on behalf of the Owner, as fully and effectually in every respect as the Owner itself could do in respect of the matters herein contained, including the right to institute or defend legal proceedings in respect of the same, in relation to which the Owner hereby covenants and agrees to provide the Manager with all documents and instruments of whatsoever nature reasonably required by the Manager and to cooperate with the Manager in instituting or defending legal proceedings as aforesaid, provided that the Manager will not be obligated to institute or defend any such legal proceedings and that such

legal proceedings will be undertaken at the sole cost and expense of the Owner. The authority of the Manager to litigate on behalf of the Owner is restricted to collecting revenues. All other related matters require the Owner's consent.

- (h) this Agreement will be deemed to be terminated after the completion of the sale, lease or other disposition of the Unit and the full satisfaction by the parties of their obligations under this Agreement; and
- (i) if any lease between the Owner and a lessee is terminated, the Owner will promptly notify the Manager and enter into a new rental management agreement with the Manager on the same terms and conditions as this Agreement.

7. USE OF UNIT BY OWNER

- 7.1. **Booking by Owner.** If at any time during the Rental Period, the Owner wishes to use the Unit for the Owner's Usage, the Owner will notify the Manager of the days the Owner wishes to use the Unit at least six (6) months prior to the commencement of each Season in which the Owner wishes to use the Unit, and the Owner will be entitled to use the Unit on such days. The Owner will otherwise be bound by the rental bookings of the Unit made by the Manager pursuant to this Agreement. The Owner will not be required to pay any rent, fees or surcharges for the days of the Owner's Usage except for the Owner's Departure Cleaning Charge described in Section 7.3. The Manager will provide the Owner with an Owner's Usage calendar prior to each Season which the Owner will be required to complete and return in order to book the Unit for the Owner's Usage.
- 7.2. **Change in Use.** The Owner will promptly notify the Manager in writing if the Owner determines or discovers at any time that the Owner will not use the Unit on any of the dates for which the Owner gave notice pursuant to Section 7.1 and the Manager may then rent out the Unit on such dates. If the Owner wishes to use the Unit on a date or dates for which the Owner has not given notice pursuant to Section 7.1, the Owner may make written application to the Manager, not more than 7 days in advance, requesting the use of the Unit. The Manager shall, subject to any rental bookings of the Unit, permit the Owner to use the Unit on such dates under the terms set out in Section 7.1.
- 7.3. **Owner's Departure Cleaning Charge.** At the end of a period of the Owner's Usage (including a single day stay) or Personal Use, where the Owner elects to commence a Rental Period, the Owner will pay the Manager a departure cleaning fee in the amount applicable for the Unit as determined by the Manager from time to time (the "Owner's Departure Cleaning Charge"). The Manager may change the amount of the Owner's Departure Cleaning Charge once per calendar year at the start of the Winter Season upon 60 days' written notice to the Owner. The Manager may deduct the applicable Owner's Departure Cleaning Charge from the Owner's Net Rental Revenue. If the Owner requests the Manager to provide special housekeeping services during the Owner's Usage or period of Personal Use (over and above departure cleaning services), the Owner will pay the Manager the applicable fee set by the Manager from time to time in addition to the Owner's Departure Cleaning Charge.
- 7.4. The Owner acknowledges and agrees that if extra cleaning of the Unit over and above the departure cleaning services set out in Schedule D is required, as determined solely by the Manager, at the end of the Owner's Usage (including a single day stay) or Personal Use, where the Owner has elected to commence a Rental Period, as a result of the Owner keeping a pet within the Unit during such period, the Owner will pay the Manager a fee of \$75.00 in addition to the applicable Owner's Departure Cleaning Charge.
- 7.5. **Vacating Unit.** The Owner will leave the Unit in a reasonably neat and tidy condition following the Owner's Usage or Personal Use. The Owner will vacate the Unit by 12:00 noon on the day following the last evening of the Owner's Usage or Personal Use, where the Owner has elected to commence a Rental Period.
- 7.6. **Use by Owner.** Any Owner's Usage of the Unit under this Section 7 will be strictly for the private purposes of the Owner or the Owner's non-paying guests, who will be subject to all the rights and obligations of the Owner under this Section 7. Under no circumstances will the Owner during the Term directly or indirectly charge rent or accept any form of consideration for the use of the Unit except in accordance with the Rental Covenant and this Agreement.
- 7.7. **Parking.** Subject to any applicable registrations or bylaws, the Manager will have the absolute right to control, manage and administer in connection with this Agreement any right to or interest in any parking stall or stalls at the Resort appurtenant to the Unit, provided that:

- (a) at any time the Manager will not utilize more parking stalls than the number of parking stalls which is equal to the number of Units that are being rented by the Manager under a rental management agreement; and
- (b) subject to availability, the Owner will have the right to use one parking stall, free of charge, during a period of Owner's Usage or Personal Use reserved in accordance with this Section 7, as well as any other parking stall or stalls as may be allocated for the Owner's use by the Manager upon the request of the Owner, subject to availability and in the Manager's sole discretion.

SCHEDULE C

Revelstoke Mountain Resort Pricing Management General Guidelines

In order to achieve the highest occupancy percentages and average daily rates, a variety of pricing options are available to transient, wholesale, travel agents, tour operators, corporate and leisure travel groups and other guests. The Manager will use its best judgement in an effort to secure consistent levels of occupancy. The following typical forms of lodging or hotel rates and packages are offered

RACK RATES

“Rack Rate” is a lodging and hotel industry term meaning “full price lodging”. Rental guests not on a package or other special rates will be on Rack Rate. In addition, the Manager may elect not to offer packages if it feels Rack Rates can prevail

PACKAGE RATES

Through a package a rental guest has the opportunity to enjoy the lodge and resort without having to worry about purchasing the individual components (including, but not limited to, ski tickets, ski school, golf, adventure packages, childcare, meals. etc.). A package's components are all discounted so that the rental guest will receive value through the purchase that could not have been obtained through separate purchases, including lodging. The Manager recognizes the importance of, and will actively promote, packages to encourage rental guest satisfaction, encourage length of stay (especially midweek) and build overall business resulting in both a short-term and long-term benefit to the Owner.

WHOLESALE / TOUR OPERATOR / TRAVEL AGENTS

One of the best ways to drive occupancy is to have a large distribution network of people selling your property. This gets the information about the lodging and Revelstoke Mountain Resort out to many more people than the Manager could do on its own. In effect, the Manager has sales people all over the world working to fill its beds. The Manager recognizes this and therefore has established "net" rates for the business and people that work in the wholesale, tour operator and travel agent industries. The wholesaler or tour operator that sends the Manager the most business is rewarded with the “best” rates. These types of businesses are the largest source of destination extended stay bookings and therefore are critical in driving occupancy.

GROUP RATES

Group business is recognized by the Manager to be an important way to build occupancy, “rounding it out” throughout the year, especially during quieter periods. The Manager will encourage corporate and leisure group business in its effort to build consistent occupancy among all units. All group rates are negotiated separately by the sales team in a manner that will optimize current and future sales. Offered rates take into consideration length of stay, time of year and size of group.

SPECIAL RATES

The Owner must recognize that a key focus of the Manager is to promote a favorable guest experience that will encourage rental guests to return. The Manager has no desire to arbitrarily forego rental revenues, but understands that a satisfied rental guest is crucial to the ongoing success and future of renting the Owner's Unit. If the Manager determines it necessary or advisable to provide special rates, it will do so appropriately with an eye towards gaining the satisfaction of the rental guest, encouraging length of stay and creating a desire to return, thus enhancing the Owner's long-

term goals.

HOLIDAY RATES

The Manager may establish holiday rates, which may exceed regular Rack Rates during certain holiday or special event periods: however, other rates may also be available during such periods, such as group, reduced or special rates.

(a) The Purchaser will pay the balance of the Purchase Price, as adjusted in accordance with this Contract by delivery to the Seller’s Solicitors of a solicitor’s certified trust cheque, a certified cheque or bank draft by no later than 2:00 p.m. on the Completion Date. The Completion Date will be a date established by the Seller and set out in a written notice (the “Completion Notice”) to the Purchaser or their solicitor (the date so established herein called the “Completion Date”) which shall be a minimum of 14 days after the date on which the Seller has delivered such notice to the Purchaser or their solicitor. The Completion Date shall be after the date that permission has been given to occupy the Building and Strata Lot and title to the Strata Lot has been issued by the appropriate Land Title Office. The Seller presently anticipates that issuance of title by the Kamloops Land Title Office of the Strata Lot and permission to occupy the Building will be given on or about the ____ day of _____, 20____. For the purposes of this paragraph, permission to occupy the Building means the initial permission, whether such permission is temporary, conditional, or final and refers to occupation of the Building only and not to occupation of other strata lots or common property in the Development. If the Building is not ready to be occupied on the Completion Date so established by the Completion Notice, then the Seller may delay the Completion Date from time to time as required, by written notice of such delay to the Purchaser or the Purchaser’s solicitors (each, a “Completion Extension Notice”).

(b) The Completion Date will be no later than the ____ day of _____, 20____ (the “Outside Completion Date”), provided that if the Seller is delayed from transferring the Strata Lot because of any circumstance described in paragraph 2(c), the Seller may at any time on or before the Completion Date by written notice (the “Notice”) addressed to the Purchaser and delivered to the Purchaser, Purchasers Agent or Purchasers Solicitor by electronic means, including, without limitation, e-mail, extend the Outside Completion Date to such later date as may be specified in the Notice provided that if the Outside Completion Date must be extended for more than 6 months, then the Purchaser may, at their option (which option must be exercised within 5 days after receipt of the Notice), terminate this Agreement by giving written notice to such effect to the Seller. Upon such termination, the Deposit will be returned by the Seller to the Purchaser forthwith upon notice of termination and the Seller and the Purchaser shall thereafter have no further obligations to one another. Any references to the Completion Date will be a reference to the Completion Date as may be extended pursuant to this paragraph 2(b).

If the Completion Date occurs prior to the date upon which municipal property taxes are due in respect of the Lands or Strata Lot, then notwithstanding that the Purchaser may not be entitled to an individual tax receipt in respect of the Strata Lot, the Purchaser shall pay the adjusted tax portion to the Seller, who hereby covenants and agrees to pay municipal property taxes for the current year in respect of the Lands and Strata Lot. The Purchaser will be responsible for all utility charges as of the Occupancy Date and must ensure that they notify the necessary utility companies to have the utilities transferred into his/her/its name on the Occupancy Date. If the Purchaser does not transfer the utilities into the Purchaser’s name as of the Occupancy Date, then any charges to the Seller that should be the Purchaser’s responsibility will be paid to the Seller in full within 5 business days after notification thereof from the Seller. If such amount is not paid within such period, a charge of \$100.00 will be applied to the outstanding amount and a further \$100 will be applied thereafter for each additional month during which the amount remains outstanding.

The Seller may make alterations to the features and layout of the Building and Strata Lot which are desirable in the discretion of the Seller. The Seller reserves the right to alter the common property of the Development at any time and from time to time, if, in its sole discretion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the sketch plan are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the

10. INSPECTION – The Purchaser and a representative of the Seller shall inspect the Building and Strata Lot at such reasonable time on or before the Completion Date as may be specified by the Seller in writing (the “Inspection Notice”). At the conclusion of such inspection, a list (the “List”) of any defects or deficiencies shall be prepared and signed by a representative of the Seller and the Purchaser. Upon the List being signed by the Seller and the Purchaser, the Purchaser shall be deemed to be satisfied with and to have accepted the physical condition of the Building and Strata Lot, subject only to the correction of such defects or deficiencies by the Seller. If the Purchaser neglects to attend, or is absent from the inspection on the date as set out in the Inspection Notice, then it is understood that the Purchaser has forfeit its right to inspection of the Building and Strata Lot prior to the Completion Date, and if so forfeited, the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot on the Completion Date. The Purchaser acknowledges and agrees that:
- (a) while the Seller will endeavour to rectify the defects or deficiencies in the list prior to the Completion Date, the Seller does not guarantee that it will do so and the Seller may elect to rectify the deficiencies following the Completion Date within a reasonable period of time;
 - (b) the Seller and its representatives will have the right to enter the Strata Lot following the Completion Date during normal working hours, with reasonable notice, in order to carry out the work necessary to rectify the deficiencies;
 - (c) the manner in which the deficiencies are rectified will be determined by the Seller in its sole and absolute discretion;
 - (d) there will be no holdback from the Purchase Price in respect of the deficiencies; and
 - (e) the Purchaser will not be entitled to have access to the Development prior to the Occupancy Date except on the date or dates set by the Seller for inspection.

12. BUILDER’S LIEN – The Seller acknowledges that there may be a builder’s lien holdback (the “Holdback”), as required by the *Strata Property Act* of British Columbia and *Builders Lien Act* of British Columbia or successor statutes. The Purchaser agrees the Holdback shall be paid to the Seller’s solicitor on the Completion Date and shall be held in trust for the Purchaser pursuant to the *Strata Property Act* of British Columbia and *Builders Lien Act* of British Columbia or successor statute solely in respect of any lien claims registered in the appropriate Land Title Office in connection with work done on the building comprising the Strata Lot.
13. SELLER’S REPRESENTATIONS – The Seller hereby represents and warrants that on the Completion Date, the Seller will cause good and marketable title to the Strata Lot to be transferred to the Purchaser, subject only to subsisting conditions, provisions, restrictions, expectations and reservations contained in the original grant or in any other grant or disposition from the Crown, except as set out in the Disclosure Statement

 - (b) pay to the Seller's solicitor the balance of the Purchase Price, as adjusted, on the Completion Date, upon lodging of the transfer and new mortgage documents and advance by the mortgagee of the mortgage proceeds, and after receipt of a satisfactory post registration search at the Land Titles Office indicating that in the normal course of Land Title Office routine, the title shall be issued in the name of the Purchaser subject to the Permitted Encumbrances and prior financial charges, and subject to the right to pay the funds to Seller's solicitor on the undertaking to payout and discharge existing financial charges pursuant to paragraph 16;
 - (c) in the event the balance of the Purchase Price, subject to the adjustments provided for hereunder, is not made on the Completion Date to the Seller's Solicitors, to:
 - (i) return the signed Transfer to Seller's Solicitors in unregistered form, upon demand; or
 - (ii) if the Transfer has been submitted for registration to the Land Title Office, to apply to the Registrar of Land Title Office to have the Transfer withdrawn and to return the signed Transfer to the Seller's Solicitors.

The Purchaser will pay all costs relating to the transfer of title to the Strata Lot, including Property Transfer Tax and applicable Goods and Services Tax. Upon submitting the Transfer for registration, the Purchaser consents to the Deposit being paid to the Seller and to be applied to the Purchase Price.

- 16. routine, the title shall be issued in the name of the Purchaser subject to the Permitted Encumbrances and prior financial charges.

If the Seller has existing financial charges to be cleared from title, the Seller, while still required to clear such charges, may wait to pay and discharge existing financial charges until immediately after receipt of the Purchase Price, plus GST (if applicable), but in this event, the Purchaser may pay the Purchase Price to the Seller's solicitor in trust on undertakings to:

- (a) pay to the charge holder the amount required by its written statement to payout and legally obligate the charge holder to discharge its security which is registered against the title to the Strata Lot on the trust condition that it will provide the Seller's solicitors with a registrable form of partial discharge of those charges within a reasonable period of time;
- (b) that upon receipt of the registrable partial discharges, file the same for registration in the Kamloops Land Title Office and provide the Purchaser's solicitors with registration particulars as soon as they are available.

The Purchaser acknowledges that the Seller's financing may remain as a charge against the common property of the Development, and as a charge in the Personal Property Registry until the Seller has completed the sale of the balance of the strata lots in the Development, whereupon the Seller covenants that such financing security will be discharged entirely. The Purchaser acknowledges that no undertaking shall be required from the solicitor for the Seller relating to the discharge of the Personal Property Registry charge.
